<p><b>What should I do if I'm worried about COVID?</b></p>	<p>Special election jurisdictions and voters are encouraged to follow CDC guidance on social distancing (maintaining six feet of distance between voters), equipment sanitization, and hygiene for polling places. In addition to following the CDC's guidance for polling places, we have encouraged jurisdictions to increase their curbside voting operations, and we encourage voters casting a ballot on Election Day to consider taking advantage of curbside voting.</p> <p>The use of cloth face coverings can be considered as an additional measure to reduce the risk in public areas. Refer to MDH Guidance on When to Wear a Mask. Note that cloth face coverings may help protect others from the wearer's respiratory droplets, <b>but are NOT a replacement for social distancing</b>. Social distancing must be observed even if face coverings are in use.</p> <p>It is up to local jurisdictions to construct their own rules surrounding COVID-19 regulations at their polling locations. The Office of the Secretary of State continues to encourage voters to wear masks and social distance.</p>
