

## Voting Unhoused/Homeless FAQ

Questions	Answer
<b>How do I register to vote?</b>	Put the address of where you sleep. If you sleep in a shelter, at a friend's house, or somewhere outside, that is your voting residence. If you sleep outside, write a description of the location on line four of your voter registration application. For example, "On the SE corner of Van Cleve Park, near the intersection of Rollins Ave SE and SE 15th Ave.
<b>What if I register before Election Day, with a location that is outside?</b>	If you register before Election Day with an outdoor location as your residence, your record will be marked as 'challenged', this is because the county could not confirm a specific street address. <b>You will still be able to vote</b> , but at the polling place on Election Day, you will be asked to swear under oath that you are living at the location you listed on your registration application. <b>In order to better ensure your registration remains active through Election Day, it is best to register within two months of that date.</b>
